\*Judicial Notice\*

Per Fed R. Evid. 201

6/12/22

Case # 2:20-cr-00213-KJM

\* 11<sup>th</sup> Amendment (congress removed all judicial power from the inferior courts" i.e. District courts of the United States.)

\* Means the District Attorney does not have Standing to represent "the United States"; because...

\* THE UNITED STATES DISTRICT COURT is a Federal Foreign Corporation. (28 U.S.C. 3002 Sec. 15(a))

\* 1871 The United STATES lost its Sovereignty reverting back to its Pre Colonial Corporate Status.

\* Also SEE: Point 2 of Ground III of Docket # 119-121 "My reply to Gov's opposition".  
 \* FRCP Rule 4(j); 28 USC Chpt. 97 Sec. 1602-1611 "The United States district court is a Foreign State Court. 28 USC Sec. 1391

\* Point 9 ID (Supreme Court cases) "There have been no judges since 1789".

\* Dred Scott v. Sanford "Blacks/Negroes are not US. Citizens" (SCOTUS)

\* Bond v. US (SCOTUS) "Enforcing government Rule is illegal".

\* There is NO/any jurisdiction/venue/No code, Rules, Regulations, Laws, Congressional acts etc... That Authorizes the UNITED STATES DISTRICT COURT/US. DISTRICT COURT. It is in fact an Improper venue.

\* I am the Beneficiary of the Court bond/Trust property. Subject to the lien attached etc...

the UNITED STATES DISTRICT COURT (along with these current "State" courts) are Fraudulent in nature.

\*Theres No Federal Statue that Shows neither of them EXIST, or has any jurisdiction or venue!

\*This court an (All) UNITED STATES DISTRICT COURTS misuses the jurisdiction given to the "District Court of the United States" Pre 1871 (Loss of Sovereignty Status)

\*All so called crimes Post 1871 are all Commercial crimes, this Court cannot show me any U.S.C etc in its proper context that shows it has Criminal let alone Civil action jurisdiction.

Black's law 5<sup>th</sup> Pocket Ed. Pg. 440

\*Consent jurisdiction (1855) "Jurisdiction that parties have agreed to, either by accord, by contract, or by general appearance. Parties may not, by agreement, confer subject-matter jurisdiction on a federal court that would not otherwise have it."

\*Everything this court does is Fraudulent in nature to the fullest sense. I DO NOT Consent, Whether by assume(Implied) by general appearance, contract, or accord. Jurisdiction has been challenged, and still not yet proven on record, Nothing can proceed but a dismissal with prejudice. All Rights Reserved under UCC 1-308. Pursuant to Fed. R. Civ. P 41(b).

\*"A court cannot confer jurisdiction where none existed and cannot make a void proceeding valid." Old Wayne Mut. Ins. Co. v. McDonald, 204 US 8, 27 S.Ct. 236 (1901)
